

Mayor Report
July 6, 2021

1. Attended the ACT meeting on July 1st. A presentation was given by Orsted on the proposed Skip Jack wind farm. Electricity will make land fall somewhere in Delaware. No decision has been made on where the landfall will be. Also had a report from the ACT lobbyist on the Delaware State Legislative session.
2. Working with the Treasurer, Finance Director and Town Manager on Town Finance analyses and receipt of funds from the American Rescue Plan (ARP). Attended a Webinar on June 10th to gain further understanding of possible use of funds.
3. Attended quarterly meeting with Mediacom regarding their performance for the Town of South Bethany. A total of 155 trouble calls were reported for the 2nd Quarter 2021. An uptick in calls occurred in June due to weather issues and additional population. Response time to trouble calls by Mediacom has improved.
